INDUSTRY EMPLOYMENT

JMC ACADEMY

Film and TV Facilities Supervisor / Lecturer

Brisbane

Employed February 2010 to present.

My main duties have included:

- Planning, purchasing, implementing and overseeing the technical direction of the JMC Academy Film and TV department nationally.
- Managing the technical facilities for the JMC Academy Film and TV department's Brisbane Campus including the maintenance and operation of a Multicam TV Studio and the installation, maintenance and operation of a Film Editing Lab.
- Implementing an Equipment Bookings System and ensuring all equipment is properly maintained and fully functional.
- Lecturing a variety of units from JMC Academy's Bachelor of Creative Industries (Film and TV Production) degree. Units taught include:
 - Short Film Production
 - Camera and Lighting 1
 - Screen Analysis
 - Editing 1
- Assisting in the teaching of all practical units taught within the Film and TV Curriculum.
- Being responsible for JMC Academy's Corporate Video Production and Photographic promotions nationally. This involved conceiving, producing, directing, shooting, recording sound and editing much of JMC Academy's national video and photographic promotional material.
- Student Technical Assistance and Troubleshooting across all areas of the Film and TV Department's technical facilities.
